## **Request for Proposal**

From: Steve Edwards

Date: April 19, 2018

Subject: **Bulkhead Channel No Wake Zone Pylon Placement Project**

We are requesting a proposal from you for the installation of three (3) pilings in order to better mark the No Wake Zone, along Bulkhead Channel, adjacent to the Rachel Carson Reserve and Radio Island Public Beach Access in Morehead City, Carteret County, N.C.

Please see the attached U.S. Army Corps of Engineers General Permit SAW-2017-02083, State of North Carolina Department of Environmental Quality Major Development Permit Number 121-17, Carteret County Location Map, and Carteret County Cross Sectional Drawing dated 06/27/2017.

Your proposal should reflect pricing for the following:

- Material pricing and quantity
- Mobilization
- Labor

Contractor should be prepared to submit copies of current certificate of insurance, W-9, and a proposed project schedule.

Your proposal may be sent via email to [steve.edwards@carteretcountync.gov](mailto:steve.edwards@carteretcountync.gov) or dropped off at the Public Works office – 5231 Business Drive, Newport, N.C. Should you have any questions please contact the Public Works office at 252-648-7878.

Thank you for your consideration and I look forward to receiving your proposal.

  
Steve Edwards

WILMINGTON DISTRICT**

Action Id. SAW-2017-02083 County: Carteret U.S.G.S. Quad: NC-Beaufort

**GENERAL PERMIT (REGIONAL AND NATIONWIDE) VERIFICATION**

Permittee: Carteret County  
Mr. Eugene Foxworth  
Address: 302 Courthouse Square  
Beaufort, NC 27516  
Telephone Number: (252) 728-8545  
E-mail: Eugene.foxworth@carteretcountync.gov

Size (acres) >0.1 Nearest Town Morehead City  
Nearest Waterway Bulkhead Channel River Basin White Oak  
USGS HUC 03020301 Coordinates Latitude: 34.7120  
Longitude: -76.6788

Location description: The project area is located along Bulkhead Channel, adjacent to Racheal Carson Reserve and Radio Island Public Beach Access in Morehead City, Carteret County, North Carolina.

Description of projects area and activity: This verification authorizes the impacts to install three (3) additional pilings in order to better mark the No Wake Zone. See attached plans.

Applicable Law(s): ☐ Section 404 (Clean Water Act, 33 USC 1344)  
☒ Section 10 (Rivers and Harbors Act, 33 USC 403)

Authorization: Nationwide Permit 1. Aids to Navigation

**SEE ATTACHED NWP GENERAL, REGIONAL, AND/OR SPECIAL CONDITIONS**

Your work is authorized by the above referenced permit provided it is accomplished in strict accordance with the enclosed Conditions, your application signed and dated 7/25/2017, and the enclosed plans Bulkhead Channel No Wake Zone Pylon Signs dated 6/27/2017 and 7/18/2017. Any violation of the attached conditions or deviation from your submitted plans may subject the permittee to a stop work order, a restoration order, a Class I administrative penalty, and/or appropriate legal action.

This verification will remain valid until the expiration date identified below unless the nationwide authorization is modified, suspended or revoked. If, prior to the expiration date identified below, the nationwide permit authorization is reissued and/or modified, this verification will remain valid until the expiration date identified below, provided it complies with all requirements of the modified nationwide permit. If the nationwide permit authorization expires or is suspended, revoked, or is modified, such that the activity would no longer comply with the terms and conditions of the nationwide permit, activities which have commenced (i.e., are under construction) or are under contract to commence in reliance upon the nationwide permit, will remain authorized provided the activity is completed within twelve months of the date of the nationwide permit's expiration, modification or revocation, unless discretionary authority has been exercised on a case-by-case basis to modify, suspend or revoke the authorization.

Activities subject to Section 404 (as indicated above) may also require an individual Section 401 Water Quality Certification. You should contact the NC Division of Water Resources (telephone 919-807-6300) to determine Section 401 requirements.

For activities occurring within the twenty coastal counties subject to regulation under the Coastal Area Management Act (CAMA), prior to beginning work you must contact the N.C. Division of Coastal Management Morehead City, NC, at (252) 808-2808.

This Department of the Army verification does not relieve the permittee of the responsibility to obtain any other required Federal, State or local approvals/permits.

If there are any questions regarding this verification, any of the conditions of the Permit, or the Corps of Engineers regulatory program, please contact Ms. Liz Hair at (910) 251-4049 or Sarah.E.Hair@usace.army.mil.

County: Carteret

Permittee: Carteret County, Mr. Eugene Foxworth

Project Name: Bulkhead Channel No Wake Pilings

Date Verification Issued: 12/8/2017

Project Manager: Ms. Liz Hair

Upon completion of the activity authorized by this permit and any mitigation required by the permit, sign this certification and return it to the following address:

US ARMY CORPS OF ENGINEERS  
WILMINGTON DISTRICT  
Attn: Ms. Liz Hair  
Wilmington Regulatory Office  
U.S Army Corps of Engineers  
69 Darlington Avenue  
Wilmington, North Carolina 28403

Please note that your permitted activity is subject to a compliance inspection by a U. S. Army Corps of Engineers representative. Failure to comply with any terms or conditions of this authorization may result in the Corps suspending, modifying or revoking the authorization and/or issuing a Class I administrative penalty, or initiating other appropriate legal action.

I hereby certify that the work authorized by the above referenced permit has been completed in accordance with the terms and condition of the said permit, and required mitigation was completed in accordance with the permit conditions.

# Permit

for

X Major Development in an Area of Environmental Concern  
pursuant to NCGS 113A-118

       Excavation and/or filling pursuant to NCGS 113-229

Issued to Carteret County, 302 Courthouse Square, Beaufort, NC 28516

Authorizing development in Carteret County at along Bulkhead Channel, adj. to Radio

Island public beach access, near Beaufort, as requested in the permittee's application dated 7/25/17, including

attached workplan drawings (2), "Cross Section" dated 6/27/17 and "Location Map" dated 7/18/17.

This permit, issued on December 11, 2017, is subject to compliance with the application (where consistent with the permit), all applicable regulations, special conditions and notes set forth below. Any violation of these terms may be subject to fines, imprisonment or civil action; or may cause the permit to be null and void.

## No Wake Pilings

- 1) Unless specifically altered herein, this permit authorizes the installation of three (3) No Wake Pilings, all as expressly and specifically set forth in the attached permit application and workplan drawings.
- 2) The No Wake Pilings shall conform with any and all appropriate regulations governing such structures, including but not limited to marking and lighting requirements of the N.C. Wildlife Resources Commission and/or the U.S. Coast Guard.

(See attached sheet for Additional Conditions)

This permit action may be appealed by the permittee or other qualified persons within twenty (20) days of the issuing date.

This permit must be accessible on-site to Department personnel when the project is inspected for compliance.

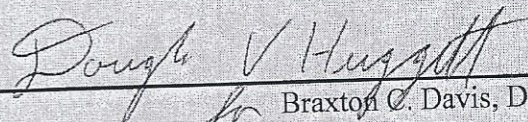

Any maintenance work or project modification not covered hereunder requires further Division approval.

All work must cease when the permit expires on

December 31, 2020

In issuing this permit, the State of North Carolina agrees that your project is consistent with the North Carolina Coastal Management Program.

Signed by the authority of the Secretary of DEQ and the Chairman of the Coastal Resources Commission.

  
for Braxton C. Davis, Director  
Division of Coastal Management

This permit and its conditions are hereby accepted.

**ADDITIONAL CONDITIONS**

**USACE Specific Conditions**

- 3) The three (3) No Wake Pilings must be constructed out of the Federally Authorized Channel Setback.
- 4) In order to further protect the endangered West Indian Manatee, *Trichechus manatus*, the applicant must implement the U.S. Fish & Wildlife Service's Guidelines, and strictly adhere to all requirements therein. The guidelines can be found at [http://www.fws.gov/nc-es/mammal/manatee\\_guidelines.pdf](http://www.fws.gov/nc-es/mammal/manatee_guidelines.pdf).

**General**

- 4) This permit shall not be assigned, transferred, sold, or otherwise disposed of to a third party without the written approval of the Division of Coastal Management.
- 5) The permittee shall maintain the authorized work in good condition and in conformance with the terms and conditions of this permit. The permittee is not relieved of this requirement if he abandons the permitted activity without having it transferred to a third party.
- 6) The permittee and/or his or her contractor shall meet with a representative of the Division prior to project initiation.

**NOTE:** This permit does not eliminate the need to obtain any additional state, federal or local permits, approvals or authorizations that may be required.

**NOTE:** The U.S. Army Corps of Engineers authorized the project by way of Nationwide Permit 1 (Action ID SAW-2017-02083) issued 12/8/17.

**NOTE:** The N.C. Division of Water Resources authorized the proposed project by way of General Water Quality Certification 4097 and assigned the project DWR Project No. 2017-1183.

**NOTE:** Future development may require a modification of this permit. Contact a representative of the Division at (252) 808-2808 prior to the commencement of any such activity for this determination.

**NOTE:** An application processing fee of \$400 was received by DCM for this project.
